

# FOG HORN TRUMPET

2 disposable cups

You will need:

1 cardboard tube

insulation tape

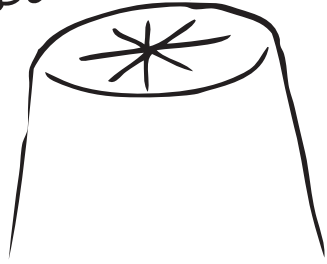

1 balloon

HARD

1 straw

cut a star in the base of both cups

put them together then force the cardboard tube through until only a little bit sticks out

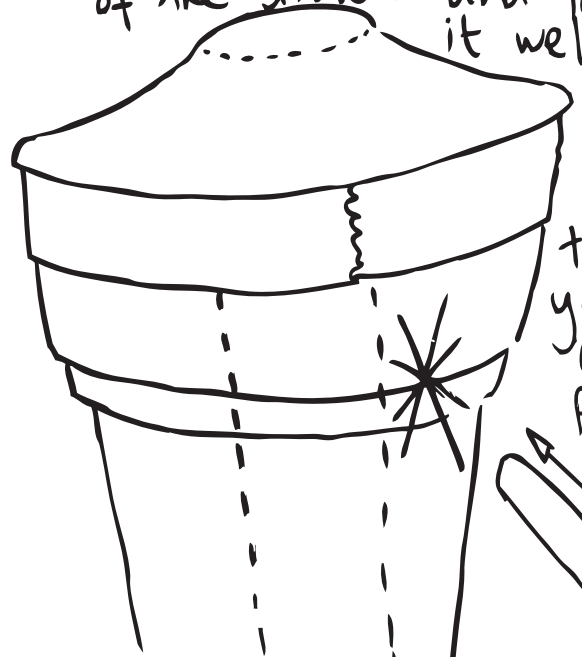

tape the base really well

cut the narrow part off the balloon & stretch it over the rim of the cup then tape it up well

cut another star in both cups, push one end of the straw in and tape it well

this is your mouth piece!
